## Make your holiday in Egypt a memorable one! Patients' Experience...

### BETTER THAN ANY!

I wish to thank the nephrologist at the EMS Clinic at Heliopolis. I dialyzed there Feb 2008. Everyone at the clinic was extremely nice. I have dialyzed all over the USA, all over Europe, in Mexico and in Costa Rica. The clinic at Heliopolis was better than any. Sincerely,  
**Jerrel Yates,**

### MY SECOND HOME!

My holiday in Sharm has finished and now I'm writing to you this letter with words of huge gratitude! First of all I'd like to thank you, Ramy, for the excellent organization of my holidays with your dialysis unit!!! I want to express my respect and thanks to the members of your staff, they are very professionals in their affair! It was my second visit to this clinic and now I really could say that they are my family and Egypt is my second home where I'd like to come back again and again! Best regards,  
**Kazantseva Elena**  
**Moscow, RUSSIA**

### EXCELLENT HOSPITALITY AND CARE!

Just a quick note to thank you and your colleagues for the excellent hospitality and care during my stay in Sharm. This was the first foreign holiday myself and family have enjoyed in five years and was greatly enjoyed. Best Regards,"
